OTR

Corner Man is a 12-week group for young men from BAME backgrounds, run by OTR and Empire Fighting Chance boxing gym.

The groups combine a mixture of boxing training at Empire with group sessions that offer a chance to spend time in a safe space with a community of other young men with similar experiences.

You'll be exploring issues of identity, strengths, community, race and power, discipline, anger, masculinity, maturity and more!

Ages 11-15: Wednesdays 5-7pm

Ages 16-20: Thursdays 5-7pm
