

FREEDOM

Support at OTR for LGBTQIA+ young people

WHAT IS IT?

Freedom is a space for LGBTQIA+ young people to come together, make friends, have fun, and try new things.

It's a safe, supportive, and joyful place to be yourself, find community, and get support if you need it. All our groups are supported by our friendly team of LGBTQIA+ youth workers.

WHO IS IT FOR?

Anyone aged 11-25 who is LGBTQIA+, or who is questioning their gender or sexuality.

You don't need to have it "figured out."

We run three groups for young people:

Ages 11-14

Ages 13-18

Ages 18-25

We also run a support group for **parents and carers** of LGBTQIA+ young people.
